

EXCERPTS FROM PART 632 AND THE ADMINISTRATIVE RULES – ADDITIONAL REQUIREMENTS BEFORE A PERMIT IS EFFECTIVE

Part 632

Sec. 63205....

(14) A mining permit is not effective until all other permits required under this act for the proposed mining operation are obtained.

Administrative Rules under Part 632

Rule 301. (1) A mining permit shall not be effective until the permittee establishes financial assurance in an amount in accordance with the mining permit as issued and in compliance with this rule....
